This year, the event heads into Oxfordshire and a brand new venue to Witley MCC. Ashdown Farm is a challenging motocross track, with steep ascents and descents, together with surrounding woodland. The Witley MCC Team will be pulling out all the stops to ensure the best loop possible and create a spectacle for spectators.

**Online entries will be available through the ACU Online System from 0800 on Saturday 24th November at [www.ride-ACU.uk](http://www.ride-ACU.uk) Entries are limited so be sure to enter on time so you don't miss out!**

Please share far and wide!
